CoreStack CLaaS – HOW TO LOGIN?

CONTENTS

1.0 INTRODUCTION

The Lab is offered by CoreStack CLaaS (Cloud Lab as a Service - https://upgrad.corestack.io/). This document covers the guidelines for students on a) how to login to CoreStack CLaaS Portal, b) how to get the credentials to Lab environment

2.0 HOW TO LOGIN TO CORESTACK CLAAS PORTAL?

To get the Lab Access Credentials, first you should login to CoreStack CLaaS portal. If the accounts are enrolled for the Lab offline, please follow either one of below options to login to CoreStack CLaaS,
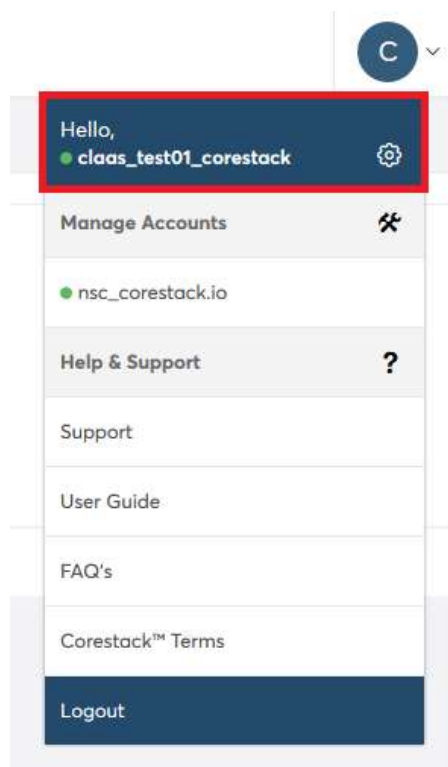

2.1 OPTION 1: LOGIN WITH USERNAME & PASSWORD

**Step 1:** Browse https://upgrad.corestack.io/ This is the Upgrad's CoreStack CLaaS site

Step 2: Login with the username & password shared offline or received via email

Step 3: After login it is recommended to Change the password. On the top right corner of the page choose profile menu to change the password.
